

Exterior Windows and Doors that are Eligible for Rebates and Tax Credits as per the
Recovery and Reinvestment Tax Act of 2009

Manufacturers Certification Statement
Pollard Windows Inc.

This manufacturer Certification Statement is to identify exterior Window and Door products that qualify for the Rebates and Tax credits in accordance with the American Recovery and Reinvestment Tax Act of 2009, which extends and modifies tax credits for windows doors and skylights established in the Energy Policy Act of 2005. The qualification criteria for this tax credit is a U factor less than or equal to 0.30 and a SHGC less than or equal to 0.30. These criteria, under the Safe Harbor Provision of the act, apply to product purchased and installed on June 1, 2009 through December 31, 2010. All products that meet the criteria will be eligible for a tax credit up to 30% of the product cost up to a maximum of \$1500.00.

The following products, when manufactured with Powerpane SC (low E argon, slight tint), meet the requirements as stated above:
